

MAGNETOPLAN MAGNETIC GLASS BOARDS

Magnetoplan glass boards are the modern, elegant alternative to conventional whiteboards. The stylish writing and info tablets are perfect at the office or in your private space to write on and to magnetically attach notes, photos etc.

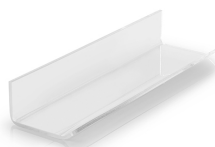

The elegant and luxurious appearance is the true selling point of Magnetoplan design glass boards as well as their great style. Manufactured using high gloss, premium quality ESG safety glass, the glass boards simply levitate in front of the wall. The boards can be set up in any pairing you wish alongside each other, one above the other or perpendicular to each other.

Available in **brilliant white**, they really are an eye catcher on any wall. The boards color, shape and appealing appearance are the perfect addition to any interior decoration. And there's more!

They lend every room a modern, individual feel.
